

Scaring Mum On The Steps

"How many steps can I jump down?" Byron asks Mum.
He's showing off, with Dylan and Cooper looking on.
Mum says just one or two, or maybe three.
"No", say the boys, "Three is far too easy."

With no fear in his eyes,
Byron bends at the knees,
Leaps from the fourth step
and lands with ease.

"What do you say now Mum, how did I go?"
But Mum covered her eyes and missed the whole show!
